

How-To Guide:

Directory sign-up using

FRONTSTEPS dwellingLIVE

If you do not already have a FRONTSTEPS dwellingLIVE account, please contact: **Darren Brooks, REATA District Manager** 720-317-2491 or browning@coloradogolfclub.com to set up your account today.

TIPS TO USE:

- 1 At each gate entrance to CGC, there is an access panel that will have a telephone directory for all residents who have registered for this feature.
- 2 This directory will display the last name and first initial of the resident along with a 3-digit code to dial to reach the resident for remote access.
- 3 These 3-digit codes will be specific to a home or cell phone number (Example - J Smith - home 614 and J Smith - cell 615).
- 4 When entered, the 3-digit code will call the resident at the phone number assigned to that particular code. This will allow the resident to speak with whomever is at the gate and allow access to the guest by pressing the number 7 button on their phone, This feature works at both the East and West gates.
